

We've passed factory audits by Wal-Mart and Disney

MOQ of just 500 units

You can trust our production processes – our factory has passed audits by Wal-Mart and Disney. And for further assurance, our lighting products have been approved by UL, cUL and CE, allowing for hassle-free distribution in major markets. We welcome your OEM projects and orders starting at just 500 pieces, allowing you to test various designs in your market. Send us an e-mail today to start sourcing quality-assured products.
